Subject: Authorization for Partial Release of Reclamation Surety, Brush Resources, Inc., Topaz Mine, M/023/0003, Juab County, Utah

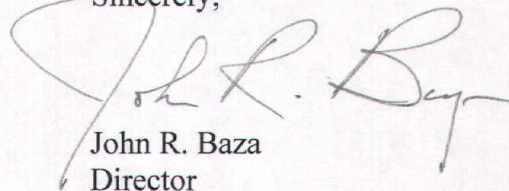

Dear Mr. Wagner,

On February 7, 2011, the Division of Oil, Gas and Mining received an application for the partial release of bond in the amount of \$106,311.00 for the Rainbow Phase 1 LMUs 1, 2, & 3 dump sites. The Division understands that you do not want the surety reduced but will rather use the excess surety to bond for future projects, but please inform the Division if this is not correct.

The request is approved. The Division conducted an inspection on March 3, 2011, and found the area met the minimum requirements for partial bond release.

If you have any questions or concerns about this letter, please contact Dana Dean at 801-538-5320, or Paul Baker at 801-538-5261. Thank you for your cooperation in completing this reclamation work.

Sincerely,

John R. Baza
Director
